

Care about IT

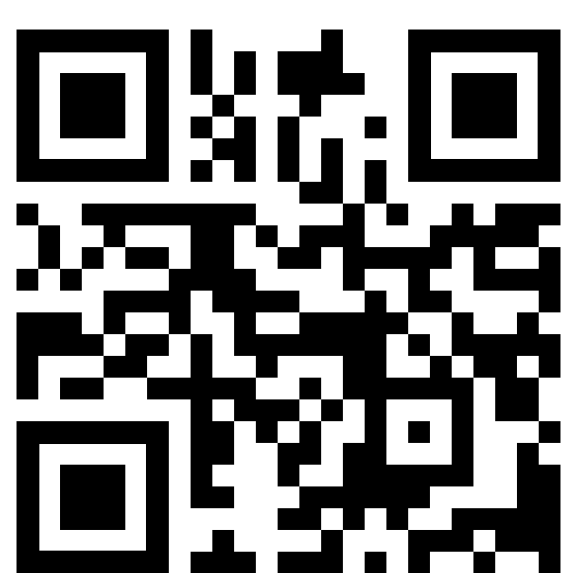

Revolutionizing healthcare through technology

Co-funded by
the European Union

15 partners from the **Netherlands, Estonia, Finland** and **Italy**, from organisations in education, healthcare and the tech sector are working together to face the challenges in our sectors.

careaboutit.eu

Our goal

By training up to date professionals we will:

- Reduce the pressure on health care
- Make training and career paths in healthcare and IT more attractive
- Increase patient satisfaction
